

AIRPORTS SECURITY OFFICE

AVIATION WORKER SCREENING UPDATE

Effective September 25, 2024, Aviation Worker Screening (AWS) will occur during all operational hours at the following airports: HNL, ITO, KOA, LIH, and OGG.

What This Means/What to Expect:

- Screening will occur at access points in the airport terminals,
- Plan to arrive earlier to account for delays at the access points,
- All individuals under escort **will** be screened,
- Follow screening instructions,
- Only bring necessary items to an access point,
- Do not bring prohibited or illegal items to the airport,
- Leave all tools of the trade locked up in the restricted areas,
- Aviation Workers with an alarm that cannot be resolved:
 - will be directed to a TSA Security Screening Checkpoint (SSCP) during operational hours to be screened,
 - will have their Airport ID Badge confiscated when the TSA SSCP is not operational. They must be screened through the TSA SSCP when it reopens. Their Badge will be returned when cleared through the SSCP.

September 25th is the 14th annual National "If You See Something, Say Something®" Awareness Day, also known as #SeeSayDay. The U.S. Department of Homeland Security (DHS) along with national partners throughout the U.S. designed this campaign to raise public awareness in two primary areas:

- Recognizing signs that may indicate a potential connection to terrorism,
- Knowing how to report suspicious activity to the correct local and state law enforcement agencies.

The slogan was originally implemented and trademarked by the New York Metropolitan Transportation Authority after the terrorist attack on September 11, 2001. As a reminder from DHS, "if you see something that doesn't seem quite right, say something."

Report suspicious activity to 9-1-1

Do **not** report suspicious activity to the Department of Homeland Security. **Notify local law enforcement.**

AIRPORT ID BADGE RETURN

(Repost from Volume II: Issue 2)

Airport ID Badges, along with Ramp Licenses, Vehicle Decals, and Security Keys, are accountable security items issued by the Pass and ID Office. These are the property of the State of Hawaii, Department of Transportation that **must be returned within five (5) business days** when:

- You no longer work at the Airport,
- You have a change in employers (company),
- For any reason the items are no longer valid.

Failure to return the item may result in a security violation, a costly penalty, and/or a charge of theft against you.

A four-foot (4') clear zone on **both sides** of the perimeter fence must be maintained to prevent objects from being used to access a restricted area. Examples of clear zone violations:

- Overgrown vegetation within 4 ft of the fence,
- Vehicles and equipment parked within 4 ft of the fence,
- Objects attached to the fence.

When parking near a perimeter fence, be sure to allow for a minimum of four feet (4') distance from the vehicle to the fence.

**CLOSED: SATURDAY, SUNDAY
AND UPCOMING STATE
HOLIDAYS**

November 5, 2024 – General Election
November 11, 2024 – Veterans' Day
November 28, 2024 – Thanksgiving
December 25, 2024 – Christmas Day

*Closures may vary by office.

SPORTS EQUIPMENT

- Golf Clubs
- Bats
- Sticks (Hockey, Lacrosse, etc.)

AVIATION WORKER SCREENING POSTER

As Aviation Worker Screening (AWS) continues, to help employees with understanding what is not allowed in restricted areas of the Airport terminals a poster (image above) is displayed at each AWS cart. The poster has lists of prohibited items by category.

Note: There is a column that identifies items that are **not allowed under all circumstances**. Items in that list will be confiscated and the employees possessing those items may be subject to arrest and further legal action.

More information on TSA Prohibited Items can be found online at:
<https://www.tsa.gov/travel/security-screening/whatcanbring/all>
